J&J TRUCK BODIES & TRAILERS®

SMOOTH SIDE **SS** EVOLUTION SERIES STEEL DUMP BODY

OUR LIGHTEST & STRONGEST DUMP BODY YET

Made from our J&J Body Armor 450 Steel, the new Smooth Side design balances 10% weight reduction and aerodynamics to optimize fuel efficiency. Streamlined manufacturing on this model yields shorter build times to get you on the road faster. Each SS is built to showroom quality and is custom painted.
